Overview

The same informative resort/cottage website with all the same sections - cottages, tourism places, gallery, dining and reviews - but without a self-service admin panel. We set up all the content for you at launch; future changes are handled by us as a small update request.

Website (front-end) pages & sections

- Home: hero, highlights, amenities & call-to-action
- Stay - Rooms & Tariffs: cottage/room listings with photos and pricing
- Experiences & Regional Tourism: activities and nearby places
- Dining & Gallery: restaurant info + photo gallery
- Guest Reviews: visitor testimonials
- Contact: enquiry form, map, click-to-call & WhatsApp
- 'Book Now' button (links to call / WhatsApp / enquiry)
- Fully responsive across mobile, tablet & desktop

Not included in this package

- Self-service admin panel to manage listings
- Owner-side add/edit of cottages, places, gallery & reviews
- (All of the above are covered by the 'With Admin Panel' option.)
