

QUOTATION

Architect Portfolio Website

Without Admin

3D model on site + 360 virtual tour (content set up by us)

QUOTATION NO.	DATE	VALID UNTIL	PREPARED FOR
BV-Q-2026-PA1	13 Aug 2026	28 Aug 2026	Confidential

Overview

A premium, informative website for an architecture practice - with an interactive 3D model viewable right on the site and an immersive 360-degree virtual tour so visitors can 'walk through' a project before it is built. Includes portfolio, services and journal sections. We set up all content at launch; there is no self-service admin in this option.

Immersive features

- 3D model viewer embedded in the website (rotate / zoom / explore)
- 360-degree virtual tour integration (e.g. Matterport embed)
- Optional interactive hotspots / gallery around the model

Website pages & sections

- Home: hero, studio intro & key highlights
- About / Studio: profile, team and stats
- Services: architecture & design offerings
- Portfolio: selected works with project detail pages
- Process: how the studio works, step by step
- Journal: articles / blog (display only in this option)
- Contact: enquiry form, map, call & email
- Fully responsive across mobile, tablet & desktop

Scope & requirements

Delivered by Bhama Vision

- Complete, responsive website design & development
- Integration of a 3D model viewer inside the website
- Integration of the 360-degree virtual tour (e.g. Matterport embed)
- All pages/sections listed in this quotation
- Enquiry / contact form and Google Map embed
- Deployment to the client's hosting + handover, testing & bug fixing

On client's side (third-party)

- Domain and web hosting / server (and its yearly cost)
- The 3D model file(s) to be shown (client-provided, or created separately on request)
- 360-degree tour capture and its hosting subscription (e.g. Matterport) and the tour link/media
- All content: project photos, renders, text, logo and articles
- Business email account, if required
- Any paid plugin, stock media or third-party API
