Fashion Blog Website

Blog Website + Admin

Fashion articles website + admin, full SEO & AdSense verification

QUOTATION NO.	DATE	VALID UNTIL	PREPARED FOR
BV-Q-2026-010	28 Aug 2026	12 Sep 2026	Confidential

Overview

A clean, SEO-ready fashion blogging website where you publish fashion articles and grow an audience. It comes with an admin backend to write and manage articles and pages, full on-page SEO options for every article, Google AdSense verification set up in the backend so you can start monetising once approved, and Google Analytics integration to track your traffic. The package includes the 7 pages listed and 1 year of error & bug-fix support.

Pages included

- Home page (featured & latest fashion articles)
- Blog page - fashion articles listing with categories
- About page
- Contact us page (with contact form)
- Terms & Conditions
- Privacy Policy
- Disclaimer

Backend (admin panel)

- Write, edit, publish & delete fashion articles
- Organise articles into categories
- Per-article SEO fields - meta title, description & URL slug
- Google AdSense verification setup (site verification, ads.txt & ad code placement)
- Google Analytics integration from the backend (add your tracking ID to start measuring traffic)
- Manage page content (about, contact & legal pages)
- View contact-form submissions

SEO features

- Full on-page SEO - editable titles, meta tags, headings & clean URLs
- XML sitemap and Google Search Console setup & indexing
- Open Graph / social-share tags and article schema
- Image alt tags and basic page-speed optimization

What's included & what's not

Included in this package

- Responsive fashion blog website (7 pages)
- Admin backend to manage articles & pages
- Full on-page SEO options (editable per article)
- Google AdSense verification setup in the backend
- Google Analytics integration from the backend
- Google Search Console setup & indexing
- Contact form with submissions in admin
- 1 year support (errors & bug fixes)

Not included

- Domain and hosting (arranged & paid by the client)
- Article content, images & written blogs (added by the client)
- Google AdSense account approval (Google's decision - not guaranteed)
- Ongoing monthly SEO or ad campaigns (separate service)
- Online store / payment features
- Any paid plugin, tool or API

Investment

TOTAL · Blog Website + Admin

Fashion Blog Website - Fashion articles website +...

Delivery: 6-10 working days

₹4,000

one-time (design & development)

Terms & next steps

Payment: 40% advance to start, 60% on delivery (or as mutually agreed).

- All prices are in Indian Rupees (INR) and are one-time for the work quoted.

-
- Domain and hosting are arranged and paid for by the client directly; we will help set them up.
 - We set up Google AdSense verification, but AdSense approval is Google's decision and is not guaranteed.
 - 1 year support covers errors & bug fixes only (things that stop working). It does not cover content changes, new pages/features or redesigns.
 - Article content, blogs and images are added by the client via the admin panel.
 - Prices are exclusive of GST, if applicable.
