## Overview

A modern, animated website to showcase your digital services, backed by an easy-to-use admin panel so you can run it yourself. Smooth scroll and section animations give the site a premium feel, while the backend lets you change every image, publish blogs, update your portfolio, manage client logos and add testimonials - all without touching code. Every enquiry sent through the site lands in a leads inbox you can view any time.

## Frontend (animated website)

- Animated, responsive website - home, about, services, portfolio, blog, testimonials & contact
- Smooth scroll effects and section / element animations for a premium feel
- Services section to present your digital services
- Portfolio / work showcase with project entries
- Client logos strip and testimonials section
- Blog section for articles & updates
- Enquiry / contact form to capture leads
- Optimised across mobile, tablet & desktop

## Backend (admin panel)

- Change all images across the website
- Write, edit, publish & delete blog articles
- Add, edit & remove portfolio / work items
- Manage client logos (add, replace & remove)
- Add & manage testimonials
