Overview

A modern, multi-section platform website for NexGen Bridge. Alongside the essential pages, it brings together everything you run: an Events & Exhibitions module with a striking countdown landing page for the next event and an archive of past ones; Delegation Trips presented as packages with clear pricing, inclusions and exclusions; an Investors & Funding section where people can apply to invest or to raise funds through dedicated forms; a Partnership section for partners, associates and others to apply; and a Case Studies showcase. A full admin panel lets your team manage every section, form submission and piece of content without any coding.

Basic pages (frontend)

- Home - hero, highlights of events, trips, investment & partnership calls-to-action
- About Us - who you are, mission / vision & team
- Services / What we do overview
- Contact Us - enquiry form, WhatsApp & call, address & Google Map
- Responsive design across mobile, tablet & desktop

Events & Exhibitions

- Upcoming event landing page with a live countdown timer to the next event
- Event details - date, venue, agenda, speakers / exhibitors, gallery & register / enquire
- Past events archive with photos, recap & outcomes
- Listing with filters (upcoming / past, category, year)
- Add / edit events from the admin panel (auto moves to 'past' after the date)

Delegation Trips (packages)

- Trips shown as packages with cover image, overview & itinerary
- Each package with price, what's included & what's excluded (clearly listed)
- Dates / duration, destination highlights & enquiry / apply button
- Manage all packages & their inclusions from the admin panel

Investors & Funding

- Section explaining investment opportunities & how it works
- 'Want to invest' form - capture investor interest & details
- 'Looking for funds' form - for those seeking investment / funding
- Submissions saved and viewable in the admin panel with email / WhatsApp notification

Partnership

- Content explaining partner / associate / collaboration options
- Application form with type selection (partner, associate, other)
- Supporting content, benefits & FAQs
- All applications captured in the admin panel for follow-up

Case Studies

- Showcase of past work / success stories in a clean grid
- Case study detail - challenge, approach, results & images
- Filter by category / industry
- Add / edit case studies from the admin panel

Admin panel (backend)

- Secure admin login with dashboard overview
