Overview

A premium, feature-rich website for Go Realtors with a complete backend admin panel so your team can manage unlimited property listings, agents, leads and content on your own - no coding needed. Visitors get advanced search and filters, an interactive map view, detailed property pages and agent profiles, and can send enquiries that are captured in a lead-management dashboard and delivered to your WhatsApp. It comes with a blog / news section, a free hosting plan and 1 year of bug & error support. The domain is arranged by you (it is not on our side), and we will help connect it to the website.

What we will design & develop

- A premium responsive website with pages such as home, about, property listings, property detail, map view, agents, blog, enquiry and contact
- Property listings with photos, price, location, type (buy / rent), BHK and key details
- Advanced search & filters by property type, location, budget, BHK and status
- Interactive map view with property pins and locations
- Property detail pages with photo gallery, amenities and an enquiry button
- Agent profiles - photo, contact and the listings assigned to each agent
- Blog / news section to publish updates and attract visitors
- WhatsApp integration + enquiry forms delivered to you and captured as leads
- Clean, mobile-friendly design across mobile, tablet & desktop
- Free hosting plan setup and go-live; connecting your domain (arranged by you)

Backend admin panel & lead management

- Secure admin login with roles for the Go Realtors team
- Add, edit and remove unlimited property listings - no coding needed

- Upload photo galleries and set price, location, type, BHK and status (available / sold / rented)
- Mark listings as featured to highlight them on the homepage
- Manage agent profiles and assign listings to agents
- Lead-management dashboard - capture, view and track every enquiry with status (new / contacted / closed)
- Publish and manage blog / news posts from the panel
- A guided walkthrough and handover so your team is comfortable using everything

Terms & next steps

Payment: 40% advance to start, 60% on delivery (or as mutually agreed).

- All prices are in Indian Rupees (INR) and are one-time for the work quoted.
- The domain is not on our side - it is arranged and paid for by the client directly; we will help connect it to the website.
- The backend admin panel covers property listings, agents, leads and blog content; online payment / booking and EMI calculators are not included and can be quoted separately.
- Map view uses a standard embeddable map; any paid map or CRM subscription, if required for very high volume, is charged separately.
- 1 year support covers bugs & errors only (things that stop working). It does not cover content changes, new pages/features or redesigns.
- Hosting is provided on a free plan; upgrading to paid hosting (for higher traffic or needs) is optional and charged separately.
- Prices are exclusive of GST, if applicable.
