Overview

A fast, modern, mobile-friendly travel website that showcases your destinations and tours. Content is fixed at build time - there is no admin panel, so updates are handled by us or in a future upgrade to the backend package.

What's included

- Responsive multi-page website (mobile, tablet & desktop)
- Pages: Home, Destinations, Tours, About, Contact
- Modern UI designed to match your brand
- Image gallery for destinations and tours
- Enquiry form that sends submissions to your email
- Click-to-call and WhatsApp enquiry buttons
- Google Maps location embed
- Basic on-page SEO (titles, meta tags, image alt text)
- Deployment to your domain / hosting

Not included in this package

- Admin panel / content management
- Dynamic blogs, tour packages or place categories
- Image uploads and self-service editing
- (All of the above are covered by the Full Website package below.)
