Overview

The public website plus a single admin panel that controls everything - campaigns, users, submissions and payments - from one place. There are no separate dashboards for creators or brands in this package.

What we will design & develop

- Public website: landing page, discover campaigns, FAQ, contact
- Sign up & login with email + password + OTP verification
- One admin panel to control everything: campaigns, users, submissions (approve / reject / flag), points & payouts, and site content
- Payment and view-tracking integration as required
- Fully responsive across mobile, tablet & desktop

Not included in this package

- Separate creator dashboard
- Separate brand dashboard
- (Both are covered by the Complete Platform package.)
