Overview

A clean, professional website for an astrologer that builds trust and brings in enquiries. Visitors learn about you and your experience, explore your services - like kundli / horoscope, matchmaking, vastu, gemstone and puja guidance - and browse a dedicated gallery of your photos, events and certificates. Getting in touch is effortless: an enquiry form that reaches your email and WhatsApp, a WhatsApp chat button and a click-to-call button, plus a Google Map on the contact page. Behind the site, an easy-to-use admin panel lets you manage your services, add or remove gallery images, update testimonials and view every enquiry - all without touching code. The site is fully responsive and SEO-friendly.

Website pages (frontend)

- Home - hero banner, introduction, services snapshot & clear call-to-action
- About - the astrologer's journey, experience and specialities
- Services - horoscope / kundli, matchmaking, vastu, gemstone, puja and more with descriptions
- Gallery - dedicated page for photos, events, ceremonies and certificates in a clean grid / lightbox
- Testimonials - client experiences to build trust
- Contact - enquiry form, WhatsApp & call buttons, address and Google Map
- Fully responsive across mobile, tablet & desktop

Gallery page

- Dedicated gallery page with a neat, responsive grid
- Click-to-enlarge (lightbox) viewing of images
- Organised into simple albums / categories if needed
- Images added, replaced & removed from the admin panel
- Optimised images for fast loading on mobile

Admin panel (backend)

- Secure admin login with dashboard
- Add, edit & remove services
- Manage gallery images (upload, replace & delete)
- Add & manage testimonials
- View enquiry leads received through the site
- Homepage & banner / image management

Enquiry, SEO & delivery

- Enquiry form capturing name, phone, service of interest and message - delivered to email & WhatsApp
- Floating WhatsApp click-to-chat button + click-to-call button on every page
- Basic on-page SEO - page titles, meta descriptions, clean URLs and image alt text
- Google Map embedded on the contact page
- Fast-loading, mobile-first build tested across browsers & devices
- Deployment and help connecting your domain & hosting
