Overview

A modern, ready-to-sell online store for your fashion brand, with a complete admin panel to run it. Customers browse clothing by category, search and filter, pick size and colour, add to cart or wishlist, create an account and check out with online payment or Cash on Delivery. We set up your first 30 product listings for you. From the admin panel you control products, sizes / variants, orders, customers, coupons and banners. The store is built responsive with payment gateway integration and WhatsApp click-to-chat. Hosting for the first year is free from our side; the domain is arranged by you (not included), and we will help connect it.

Customer-facing store (frontend)

- Modern, responsive design - home with banners, featured products & categories
- Product listing with search, filters & sort (category, size, colour, price)
- Product detail page - image gallery, size & colour variants, stock & related products
- Cart, wishlist and a smooth, secure checkout
- Customer accounts with sign up / login + OTP, order history & tracking
- Multiple payments: UPI, cards, net-banking, wallets & Cash on Delivery
- Coupons / discount codes at checkout
- WhatsApp integration and content pages (about, contact, policies)

Product listings

- Up to 30 fashion products set up for you at launch
- Each listing with images, description, price, size & colour variants and stock
- Organised into categories / collections (e.g. men, women, kids, new arrivals)
- Featured / new-arrival products highlighted on the home page

- Easily add more products yourself from the admin panel

Admin panel (backend)

- Dashboard with sales, orders & top products at a glance
- Manage products, categories, sizes & variants (add / edit / delete), with bulk upload
- Inventory / stock management with low-stock view
- Order management - view, update status, invoices & mark delivered
- Customer management and enquiries
- Coupons, offers & homepage banner management
- Sales & order reports

Payment gateway & hosting

- Integration of a leading Indian payment gateway (Razorpay / PayU / Cashfree or similar)
- Accept UPI, credit / debit cards, net-banking & wallets
- Secure checkout with order confirmation
- Cash on Delivery as an additional option
- Free hosting for 1 year from our side, with SSL (https)
- Deployment, go-live and help connecting your domain
