Overview

A clean, informative website for Balaji Rings that puts your ring range online and gives your business a credible presence. Products are organised into categories so visitors can browse quickly, and each product is shown with images, a description and key details. Alongside the showcase you get all the standard pages - Home, About, Products and Contact - and it is easy to get in touch everywhere: an enquiry form that reaches your email and WhatsApp, a WhatsApp chat button and a click-to-call button, plus a Google Map on the contact page. The site is fully responsive and SEO-friendly, and hosting for the first year is free from our side. The domain is arranged by you (not included), and we help connect it.

Website pages

- Home - hero banner, business snapshot, featured products & category highlights
- About - your story, values and why customers choose you
- Products - full range in a clean grid, browsable by category
- Product detail - images, description and key details (size / variant / specification)
- Contact - enquiry form, WhatsApp & call buttons, address and Google Map
- Fully responsive across mobile, tablet & desktop

Product showcase & categories

- Products grouped into categories so visitors can narrow down quickly
- Up to 4 categories and up to 20 products in total set up with your photos and content
- Each product shown with image, name, short description and details
- Featured products highlighted on the home page
- Clean, consistent layout that stays tidy as the range grows

Enquiry & WhatsApp

- Enquiry form capturing name, phone, product of interest and message
- Submissions delivered to your email and WhatsApp, so no lead is missed
- Floating WhatsApp click-to-chat button on every page
- Click-to-call button for instant phone enquiries
- Thank-you confirmation shown after submitting

Design, SEO, hosting & delivery

- Modern, professional design matched to your brand colours and logo
- Basic on-page SEO - page titles, meta descriptions, clean URLs and image alt text
- Google Map embedded on the contact page
- Fast-loading, mobile-first build
- Testing across major browsers and devices before launch
- Free hosting for 1 year from our side + help connecting your domain
