Overview

A modern, professional and fully responsive website for your business, built SEO-friendly so it is ready to be found on Google, and backed by an easy-to-use admin panel so you can run it yourself. From the backend you can change images, update your pages and content and view every enquiry that comes through the site - all without touching code. Getting in touch is effortless for visitors through an enquiry form that reaches your email and WhatsApp, a WhatsApp chat button and a click-to-call button. The package includes 1 year of support for any bugs and errors after launch. The domain is arranged by you (it is not on our side), and we will help connect it.

Website pages (frontend)

- Home - hero banner, business snapshot, services & clear call-to-action
- About - your story, values and why customers should choose you
- Services - your offerings presented with descriptions
- Gallery / portfolio - showcase your work or photos
- Contact - enquiry form, WhatsApp & call buttons, address and Google Map
- Supporting pages as needed (e.g. testimonials, FAQ)
- Fully responsive across mobile, tablet & desktop

Admin panel (backend)

- Secure admin login with dashboard
- Change images and content across the website
- Add, edit & remove services / pages & gallery items
- Manage homepage banners & highlights
- View enquiry leads received through the site

- Edit SEO meta (title / description) per page

SEO-friendly build

- On-page SEO - page titles, meta descriptions, headings, clean URLs and image alt text
- XML sitemap and robots.txt for search engines
- Open Graph / social share cards for shared links
- Fast-loading, mobile-first pages
- Google Analytics & Search Console setup

Enquiry, support & delivery

- Enquiry form capturing name, phone, subject and message - delivered to email & WhatsApp and stored in admin
- Floating WhatsApp click-to-chat + click-to-call button on every page
- Google Map embedded on the contact page
- Testing across major browsers and devices before launch
- Deployment and help connecting your domain
- 1 year of support for any bugs & errors after launch

Terms & next steps

Payment: 40% advance to start, 30% at midway, 30% on delivery (or as mutually agreed).

- All prices are in Indian Rupees (INR) and are one-time for the work quoted.
- The domain is not on our side - it is arranged and paid for by the client directly; we will help connect it to the website.
- Content, images and copywriting are provided by the client and can be managed via the admin panel.
- The website is built SEO-friendly; on-page SEO and Search Console setup help your pages become eligible to rank. Search rankings depend on Google and competition and cannot be guaranteed. Ongoing monthly SEO and ad campaigns are a separate service.
- 1 year support covers bugs & errors only (things that stop working). It does not cover content changes, new pages / features or redesigns.
- Online store / payment gateway and a mobile app are a separate scope.
- Timelines begin once the content, logo and advance payment are received.
- Prices are exclusive of GST, if applicable.
