Overview

A complete, ready-to-launch online store for a single seller with up to 10 products and a backend admin panel to run it. Customers can browse products, add to cart and place orders with online payment or Cash on Delivery, while you manage products, orders and customers from one dashboard. It comes with a WhatsApp chat button, a free hosting plan and 1 year of bug & error support. The domain is arranged by you (it is not on our side), and we will help connect it to the store.

Customer-facing store

- Home page with banners, featured products & categories
- Product listing with categories, search & sort
- Product detail page with image gallery, variants & price
- Up to 10 products set up with photos, price and details
- Add to cart and smooth, simple checkout
- Online payment (UPI / cards) + Cash on Delivery
- Order placement with order confirmation
- WhatsApp click-to-chat button for quick enquiries
- Content pages: about, contact and policy pages
- Fully responsive across mobile, tablet & desktop

Backend admin panel

- Secure admin login for the store owner
- Add, edit and remove products, categories & variants
- Upload product photos and set price, stock and status

- Order management - view orders and update status (new / shipped / delivered)
- Basic customer list and enquiries
- Homepage banner management
- A short walkthrough so you are comfortable running the store
