Overview

An affordable, ready-to-launch website for businesses that want a clean online presence. We design and develop a responsive 4-5 page website with a WhatsApp chat button so visitors can reach you in one tap. It comes with a free hosting plan and 1 year of bug & error support. The domain is arranged by you (it is not on our side), and we will help connect it to the website.

What we will design & develop

- A responsive website of 4-5 pages (e.g. home, about, services, gallery, contact)
- WhatsApp integration - a click-to-chat button so visitors message you directly
- Contact / enquiry form
- Clean, mobile-friendly design across mobile, tablet & desktop
- Free hosting plan setup and go-live
- Connecting your domain to the website (domain arranged by you)
