Overview

The complete informative college website, plus a simple admin panel so the college can update its own content - news & notices, events, gallery, courses, faculty and placements - without any coding. There is no online admission application portal or applicant login in this package. Fully responsive across mobile, tablet and desktop.

Website pages & sections

- Home: hero, highlights & quick links
- About: history, vision & mission, leadership / management
- Academics: courses / programs / departments with details
- Faculty & departments
- Facilities / infrastructure (labs, library, hostel, sports)
- Admissions info (content only): eligibility, fees & how to apply
- Placements & achievements
- Gallery, news / notices / events, and contact page

Admin panel - college can manage

- Add / edit / remove news, notices & events
- Manage gallery photos & albums
- Manage courses / programs & departments
- Manage faculty profiles
- Update placements & achievements
- Update home-page highlights & contact details
- Secure admin login

Not included in this package

- Online admission application portal & applicant login
- Online application-fee payment & applicant management
- (All of the above are covered by the 'College Admission Portal' quotation.)

Technical
