Overview

A clean, affordable way to start selling online. Customers browse your products, add them to the cart and check out securely with an integrated payment gateway or Cash on Delivery. We set up up to 10 products for you, and a basic admin panel lets you add or edit products and view orders. The store is fully responsive with WhatsApp click-to-chat so buyers can reach you easily. The focus of this package is getting you online with working payments quickly and affordably. Domain and hosting are arranged by you (not included), and we will help set them up.

Customer-facing store (frontend)

- Clean, responsive design - home with featured products & simple navigation
- Product listing with basic search & categories
- Product detail page - images, price, description & 'add to cart'
- Cart and a smooth, secure checkout
- Payment gateway (UPI / cards / net-banking / wallets) + Cash on Delivery
- WhatsApp click-to-chat and an enquiry / contact form
- About, contact and policy pages

Payment gateway integration

- Integration of a leading Indian payment gateway (Razorpay / PayU / Cashfree or similar)
- Accept UPI, credit / debit cards, net-banking & wallets
- Secure checkout with order confirmation to you & the customer
- Cash on Delivery as an additional option

Products & basic admin panel

- Up to 10 products set up for you at launch with images, price & description
- Basic admin login to add / edit / remove products
- View orders with customer & payment details
- Update order status (e.g. confirmed / shipped / delivered)
- Easily add more products yourself later

Design, SEO & delivery

- Modern design matched to your brand colours and logo
- Basic on-page SEO - titles, meta descriptions & clean URLs
- Fast-loading, mobile-first build
- Testing across major browsers and devices before launch
- Deployment and help connecting your domain & hosting
