Overview

A fast, dynamic and mobile-responsive sports results & stats portal, with a clean data-focused homepage and a complete admin panel so you can run everything yourself. Publish live result cards, results tables, team/player stats and weekly charts, in both Hindi and English - no coding needed. This is an information & statistics portal only; it does not include any betting, wagering or real-money gaming features.

Frontend - homepage & layout

- Structured homepage: header, navigation & logo / branding
- Live-result cards with latest published results
- Results / standings tables by league or category
- Clean, data-focused, mobile-responsive layout
- Footer with links, announcements & social / Telegram links
- Full Hindi + English content support

Frontend - results & stats pages

- Team & player stats pages (head-to-head / detail view)
- Weekly charts and standings history
- Secondary league / tournament section
- Search & filter results by league, team or date
- SEO-friendly page structure

Admin panel

- Secure admin login
- Add, edit and delete leagues / categories
- Enter today's results and update fixtures
- Set match / event start & end times (schedule)
- Mark a match / event as postponed or cancelled
- Edit team & player stats / detail data
- Manage weekly charts and standings
- Manage editorial preview / analysis content
- Manage announcements and Telegram / social links
- Manage SEO title & description per page

What's included & what's not

Included in this package

- Dynamic, mobile-responsive sports results portal
- Live-result cards, tables & weekly charts
- Team / player stats & head-to-head pages
- Bilingual content support (Hindi + English)
- Full admin panel to manage all data & content
- Editable SEO title / description per page

Not included

- Domain and hosting (arranged & paid by the client)
- Written content, logos, images & other media assets
- Live data feeds / paid third-party sports data APIs
- Any betting, wagering, real-money gaming or odds features
- Ongoing maintenance, SEO, advertising or content entry
- Features or integrations outside the scope listed here
