Overview

A premium, ready-to-sell online store for your perfume brand, with a complete admin panel to run it. Customers can browse fragrances by category, search and filter, add to cart or wishlist, create an account and check out with online payment or Cash on Delivery. We set up your first 50 product listings for you. From the admin panel you control products, orders, customers, coupons and banners. The store is built responsive with a payment gateway and WhatsApp integration so buyers can reach you instantly.

Customer-facing store (frontend)

- Premium, responsive design - home with banners, featured fragrances & categories
- Product listing with search, filters and sort (by scent, size, price)
- Product detail page - image gallery, variants (size / ml), stock & related products
- Cart, wishlist and a smooth, secure checkout
- Customer accounts with sign up / login + OTP, order history & tracking
- Multiple payments: UPI, cards, net-banking, wallets & Cash on Delivery
- Coupons / discount codes at checkout
- WhatsApp integration and content pages (about, contact, policies)

Product listings

- Up to 50 perfume products set up for you at launch
- Each listing with images, description, price, variants & stock
- Organised into categories / collections (e.g. men, women, unisex, gift sets)
- Easily add more products yourself from the admin panel

Admin panel (backend)

- Dashboard with sales, orders & top products at a glance
- Manage products, categories & variants (add / edit / delete), with bulk upload
- Inventory / stock management with low-stock view
- Order management - view, update status, invoices & mark delivered
- Customer management and enquiries
- Coupons, offers & homepage banner management
- Sales & order reports

Payment gateway

- Integration of a leading Indian payment gateway (Razorpay / PayU / Cashfree or similar)
- Accept UPI, credit / debit cards, net-banking & wallets
- Secure checkout with order confirmation
- Cash on Delivery as an additional option
