Overview

A modern, ready-to-sell online store for your fashion brand, with a complete admin panel to run it. Your products are organised into multiple categories and collections so customers can browse quickly - pick size and colour, add to cart or wishlist, create an account and check out with online payment or Cash on Delivery. We set up up to 25 products across your categories. From the admin panel you control categories, products, sizes / variants, orders, customers, coupons and banners. The store is built responsive with payment gateway integration and WhatsApp click-to-chat. Domain and hosting are arranged by you (not included), and we will help set them up.

Customer-facing store (frontend)

- Modern, responsive design - home with banners, featured products & category highlights
- Multiple categories & collections (e.g. men, women, kids, ethnic, western, footwear, accessories)
- Product listing with search, filters & sort (category, size, colour, price)
- Product detail page - image gallery, size & colour variants, stock & related products
- Cart, wishlist and a smooth, secure checkout
- Customer accounts with sign up / login + OTP, order history & tracking
- Multiple payments: UPI, cards, net-banking, wallets & Cash on Delivery
- Coupons / discount codes + content pages (about, contact, policies)
