Overview

A complete travel website for Northeast Advisor with a powerful admin panel to run it. Visitors can explore tour packages, homestays and blog articles, reach you instantly on WhatsApp, and property owners can submit their details through a "Partner with us" form. From the admin panel you can manage packages, homestays, blogs, the hero banner and view all incoming leads. The site is built SEO-friendly so it can rank and get found on Google.

Frontend (website)

- Responsive website with an eye-catching hero banner
- Tour / travel packages listing and detail pages
- Homestays listing and detail pages
- Blog section for travel articles & guides
- "Partner with us" page with a property submission / leads form
- WhatsApp integration - click-to-chat button to reach you in one tap
- Contact & enquiry forms
- Mobile, tablet & desktop responsive design

Backend (admin panel)

- Manage tour packages - add, edit, view & remove
- Manage homestays - add, edit, view & remove
- Manage blog posts - write, edit & publish
- View & manage "Partner with us" property leads / form submissions
- Manage the homepage hero banner
- View contact & enquiry form data

- Simple dashboard to see it all at a glance

SEO features

- On-page SEO - titles, meta tags, headings & clean URLs
- XML sitemap & Google Search Console setup and indexing
- Image alt tags and basic page-speed optimization
- SEO-friendly structure so pages can rank on Google
