Overview

A straightforward, website-only package for Pattron Tech. We design and develop a clean, responsive website of up to 5 pages that presents your company, services and contact details professionally. Visitors can reach you in one tap through a WhatsApp chat button, a click-to-call link or a simple enquiry form. This is a design-and-development package only - there is no backend or admin panel, no online store and no marketing included. It comes with a free hosting plan and 1 year of bug & error support. The domain is arranged by you (it is not on our side), and we will help connect it to the website.

What we will design & develop

- A responsive website of up to 5 pages (e.g. home, about, services, gallery, contact)
- Modern, clean design using your logo, colours and content
- WhatsApp integration - a click-to-chat button so visitors message you directly
- Contact / enquiry form that delivers to your email
- Click-to-call button and Google Maps location
- Fully responsive across mobile, tablet & desktop
- Basic on-page setup - page titles, favicon and fast-loading images
- Free hosting plan setup and go-live
- Connecting your domain to the website (domain arranged by you)
