Real Estate Website

Real Estate Website + Admin

Property listings with a full admin panel, complete SEO & 1 year hosting (domain not included)

QUOTATION NO.	DATE	VALID UNTIL	PREPARED FOR
BV-Q-2026-043	31 Oct 2026	15 Nov 2026	Confidential

Overview

A modern, SEO-first real estate website where visitors browse properties, search and filter by type, location, price and bedrooms, and open a rich property page with an image gallery, full details, amenities and a map. Each listing has an enquiry form plus WhatsApp / call buttons so buyers reach you instantly. A full admin panel lets you add and manage properties - we set up your first 15 listings for you. The whole site is built with complete on-page SEO so your properties rank and get found. Hosting for the first year is included from our side; the domain is arranged by you (not included), and we will help connect it.

Visitor-facing website (frontend)

- Modern, responsive design - home with featured & latest properties and quick search
- Property listing pages with search & filters (type, location, price, bedrooms, status)
- Property detail page - image gallery, price, full description, amenities & specifications
- Location map (Google Maps) and nearby highlights
- Enquiry form + WhatsApp & call buttons on every property
- Buy / Rent / Commercial categories and agent / contact section
- About, contact and policy pages

Property listings

- Up to 15 property listings set up for you at launch
- Each with images, price, location, type, area, bedrooms & amenities
- Organised by category (buy / rent / commercial) and location
- Featured & 'sold / rented' status flags
- Easily add more listings yourself from the admin panel

Admin panel (backend)

- Secure admin login with dashboard overview
- Add / edit / delete properties with image upload
- Manage categories, locations, amenities & status
- Mark listings as featured / sold / rented / hidden
- Enquiries inbox - every lead captured with property context
- Homepage & banner management + SEO meta per property

SEO, hosting & delivery

- SEO-friendly URLs, titles & meta descriptions per page and per property
- Structured data / schema for real-estate listings (rich results)
- XML sitemap, robots.txt & clean internal linking
- Open Graph / social share cards for shared links
- Google Analytics & Search Console setup
- Hosting for 1 year included from our side with SSL + help connecting your domain

What's included & what's not

Included in this package

- Modern, responsive real estate website

Terms & next steps

Payment: 40% advance to start, 30% at midway, 30% on delivery (or as mutually agreed).

- All prices are in Indian Rupees (INR) and are one-time for the design & development work quoted.
- Hosting for the first year is included from our side (with SSL). Renewal from year 2 onwards is billed separately at actuals.
- The domain is NOT included - it is arranged and paid for by the client directly; we will help connect it to the website.
- This package includes setting up up to 15 property listings; additional listings can be added by the client via the admin panel.
- Property photos and content are provided by the client.
- Complete on-page SEO is included; ongoing SEO / marketing and any paid portal, MLS feed or API are separate.
- Online payments / booking, payment gateway and a mobile app are a separate scope.
- Prices are exclusive of GST, if applicable.
