Overview

A clean, responsive website with an easy-to-use admin panel to run it yourself. It includes a blog to publish articles, an image gallery to showcase your work, and a services section to present what you offer. From the admin panel you can also connect Google AdSense to monetise the site and Google Analytics to track your visitors - no coding needed.

Frontend (website)

- Responsive website - home, about, services, blog, gallery & contact
- Services section to showcase what you offer
- Blog section for articles & updates
- Image gallery to display photos / work
- Contact / enquiry form
- SEO-friendly structure across mobile, tablet & desktop

Backend (admin panel)

- Write, edit, publish & delete blog articles
- Upload and manage gallery images
- Add & edit the services section content
- Connect Google AdSense (site verification & ad code)
- Connect Google Analytics (add your tracking ID)
- Manage page content and view contact-form submissions
