Overview

A complete, professional college website with a modern, responsive front-end and an admin backend, so the college can update its own content - courses, faculty, news & notices, gallery and placements. Fully responsive across mobile, tablet and desktop.

Website (front-end) pages

- Home: hero, highlights & quick links
- About: history, vision & mission, leadership / management
- Academics: courses / programs / departments with details
- Faculty & departments
- Facilities / infrastructure (labs, library, hostel, sports)
- Admissions info (content only): eligibility, fee structure, important dates & how to apply
- Placements & achievements
- Gallery: photos & events
- News / notices / events (display)
- Contact: enquiry form, map & phone

Admin panel (backend)

- Add / edit / remove news, notices & events
- Manage gallery photos & albums
- Manage courses / programs & departments
- Manage faculty profiles
- Update placements & achievements

- Update home-page highlights & contact details
- Secure admin login

Technical

- Secure authentication with role-based access
- Fully responsive across mobile, tablet & desktop
- Basic on-page SEO setup
- Deployment to the client's hosting + handover
