Overview

A clean, professional website for Fatima Tour & Travel that gives your agency a credible online presence and brings enquiries straight to your phone. Visitors can explore your tour packages and destinations with photos and details, read about the services you offer - ticketing, hotel bookings, visa assistance, transport and more - and learn about your agency on the About Us page. Getting in touch is effortless: an enquiry form that reaches your email and WhatsApp, a WhatsApp chat button on every page, an 'Enquire on WhatsApp' button on each package that opens a chat with the package name already filled in, a click-to-call button and a Google Map on the contact page. The site is fully responsive, built SEO-friendly, and comes with a free hosting plan and 1 year of bug & error support. The domain is arranged by you (it is not on our side), and we will help connect it.
