21 Sep 2026

PREPARED FOR

Doer Way Nex

Overview

A clean, professional and responsive website for Doer Way Nex with an easy-to-use admin panel to run it yourself. It includes a case studies section to showcase completed work and a services section to present what you offer. From the admin panel you can add, edit or remove case studies and services - no coding needed.

Frontend (website)

- Responsive website - home, about, services, case studies & contact
- Services section to showcase what you offer
- Case studies section with images, details & results
- About / team section to build trust
- Contact / enquiry form
- SEO-friendly structure across mobile, tablet & desktop

Case studies & services showcase

- Case studies listing with cover images
- Individual case study page with description & images
- Highlight the problem, work done and results
- Services listing with descriptions and icons / images
- Professional layout to present your portfolio of work

Backend (admin panel)

- Secure admin login

- Add, edit and delete case studies
- Upload case-study cover and detail images
- Add, edit and delete services
- Manage page content and view contact enquiries

What's included & what's not
