Overview

A clean, professional showcase website for Aviraj Enterprises that presents your detergent range attractively across all the essential pages - Home, About Us, Products and Contact Us. Visitors can browse your products with images and details and reach you instantly via an enquiry form, WhatsApp or call. A simple admin panel lets you add and edit products in future and update your basic company details - WhatsApp number, company address, phone, email and more - without any coding. The site is responsive and SEO-friendly.

Website pages (frontend)

- Home - hero banner, about snapshot, featured products & call-to-action
- About Us - company story, vision / mission & why choose us
- Products - detergent range shown in a clean grid with images & details
- Product detail - image(s), description, key features / specifications & enquiry button
- Contact Us - enquiry form, WhatsApp & call buttons, address & Google Map
- Responsive design that looks great on mobile & desktop

Products showcase

- Detergent products displayed with images, name, description & details (e.g. size / pack / type)
- Organised into categories if needed (powder, liquid, bar, etc.)
- Initial products set up for you at launch
- Add / edit / remove products yourself in future from the admin panel

Admin panel (backend)

- Secure admin login with a simple dashboard

- Add / edit / delete products with image upload
- Manage product categories (if used)
- Manage company details - WhatsApp number, address, phone, email, social links
- Edit basic page content (About text, banners, etc.)
- View / manage contact enquiries

SEO & contact

- Basic on-page SEO - titles, meta descriptions & friendly URLs
- Google Map embedded on the contact page
- WhatsApp click-to-chat & call buttons site-wide
- Social share / links and mobile-friendly performance
