Overview

A complete, ready-to-launch website with search visibility built in. We design and develop a clean, responsive website, set up on-page SEO, get it indexed on Google via Search Console, and create your Google My Business profile so you show up in local searches and on Maps. The package also includes a domain for the first year, a free hosting plan, and 1 year of support.

What we will design & develop

- Professional, responsive website (mobile, tablet & desktop)
- On-page SEO setup - titles, meta tags, headings, sitemap & basic speed optimization
- Google Search Console setup and indexing so your site appears on Google
- Google My Business profile setup for local search & Maps
- Standard pages (home, about, services, contact) with an enquiry / contact form
