Overview

A clean, modern and responsive website for Varna Pinnacles to present its digital services, backed by an easy-to-use admin panel so you can run it yourself. The design works smoothly across mobile, tablet and desktop, while the backend lets you change images, update services and portfolio, publish blogs and manage testimonials - all without touching code. Every enquiry sent through the site lands in a leads inbox you can view any time. Hosting for the first year is free from our side; you only arrange the domain, and we help set it up.

Frontend (website design)

- Modern, responsive website - home, about, services, portfolio, blog, testimonials & contact
- Clean layout with subtle scroll / section animations
- Services section to present your digital services
- Portfolio / work showcase with project entries
- Client logos strip and testimonials section
- Blog section for articles & updates
- Enquiry / contact form to capture leads
- Optimised across mobile, tablet & desktop

Backend (admin panel)

- Secure admin login with dashboard
- Change all images across the website
- Add, edit & remove services
- Add, edit & remove portfolio / work items

- Write, edit, publish & delete blog articles
- Manage client logos & testimonials
- View enquiry leads received through the site
