Overview

A clean, ready-to-launch online clothing store for a single seller with a full product catalogue. Customers browse your products, add them to the cart and check out securely with an integrated payment gateway (UPI / cards / net-banking / wallets) or Cash on Delivery. A backend admin panel lets you manage products, orders and customers from one dashboard. The domain is arranged by you (not included); we will help connect it.

Customer-facing store (frontend)

- Home page with banners, featured products & categories
- Shop-by-collection layout (t-shirts, hoodies & sweatshirts)
- Product listing with search, sort & category filters
- Product detail page with image gallery, size & colour variants & price
- Product catalogue set up with photos, price and details
- Add to cart and smooth, secure checkout
- Order placement with order confirmation to you & the customer
- WhatsApp click-to-chat button for quick enquiries
- Content pages: about, contact and policy pages
- Fully responsive across mobile, tablet & desktop

Payment gateway integration

- Integration of a leading Indian payment gateway (Razorpay / PayU / Cashfree or similar)
- Accept UPI, credit / debit cards, net-banking & wallets
- Secure checkout with order confirmation
- Cash on Delivery as an additional option

Backend admin panel

- Secure admin login for the store owner
- Add, edit and remove products, collections & variants
- Upload product photos and set price, stock and status
- Order management - view orders and update status (new / shipped / delivered)
- Basic customer list and enquiries
- Homepage banner & featured-collection management
- A short walkthrough so you are comfortable running the store

Design, SEO & delivery

- Modern design matched to your brand colours and logo
- Basic on-page SEO - titles, meta descriptions & clean URLs
- Fast-loading, mobile-first build
- Testing across major browsers and devices before launch
- Deployment and help connecting your domain
